

List of Poster Displays (alphabetical by presenting author)

* Electronic Poster

ID	Author	Poster Title
5	Adam Berry *	Can Planting Trees Reduce Our Flood Risk?
28	Wendy Carlisle	Making the Most of the Limited Available Data for Hydraulic Design of Four Bridges in Viti Levu, Fiji
13	Filippo Dall'Osso	Assessing the Vulnerability of the Most Vulnerable: a Case-study in Viet-Nam
1	Peter Ebenwaldner *	Sharing Experiences in Flood Barrier Technology – Selection and Implementation.
2	David Fulton *	Design Discharge Estimation from Urban Catchments – a Comparison Between ARR1987 and ARR2016
18	Janice Green	Why Don't the New Design Rainfalls Match My At-site Frequency Analysis?
4	Stefania Grimaldi *	Improving Floodplain Inundation Predictions using Remote Sensing Data
12	Edmund Han *	The Morphology of Three Flood-Producing Storms in the Parramatta River Catchment, NSW
3	Warick Honour *	Supercell Thunderstorm Radar Signatures As an Indicator of Flash Flood Potential
26	Lachlan Inglis	Flood Mapping Shepparton, Victoria's Most Flood Prone Town
11	Ross Knee *	Have Flood Studies and Flood Management Improved in the Last 20 Years?
9	Greg McMahon *	Taking Advantage of a Climate Informed Hydrology Paradigm
25	Greg McMahon *	The Review Part II of the Brisbane River Catchment Flood Study
6	Scott Moffett	Rous County Council – Review of Flood Management Infrastructure
19	Scott Moffett	Rous County Council – Review of Dam Flood Safety
14	Ben Patterson	FLASH@ Flood Forecasting Service – Project Examples
21	Matthew Phillips	Real-time ICOLL Entrance Monitoring and Flood Warning System
24	Gurmeet Singh *	Environmental Flow Constraints Assessment in Murrumbidgee River System Using Hydraulic Models and Landsat Satellite Imagery
22	Julian Skipworth *	Practical Experience with Installation of Gauges and Warning Signage
8	Katrina Smith	Statistical Assessment of Errors in Floor Levels
15	Melanie Taylor	Encountering Floodwater at Work: Factors Contributing to Decisions to Drive into Floodwater
20	Melanie Taylor	Vehicle-related Flood Deaths in Australia, 2001–2017
10	David Tetley *	Application of ARR2016 on Large Scale Flood Studies
23	David Tetley *	Quantifying Freeboard Requirements
16	Rhys Thomson	RUFFE – A Technique for Rapid Urban Peak Flow Estimation

	Author	Poster Title
27	David Whyte	What's the Risk? – How Model Setup Affects Overland Flow Modelling Results
17	Melissa Wilson	Charlton Floods - Impacts on a Small, Rural Municipality
